

## **General Data Protection Principles of WABCO Fahrzeugsysteme GmbH**

WABCO Fahrzeugsysteme GmbH is pleased to welcome you to our website and we thank you for your interest in our business and services.

### **WABCO Fahrzeugsysteme GmbH Respects Your Privacy**

Protecting your privacy when processing personal data and the security of all business data is an important matter to us, and one which is reflected in our business processes. We process personal data collected during your visit to our website confidentially and only in accordance with legal regulations.

Data protection and information security are a component of our company policy. Below, you will be able to read what kind of information we may collect, how we treat this information and to whom we may provide it.

### **Automatic Recording of Non-Personal Data**

When you visit our website, we automatically (i.e. not just if you register) save the name of your internet service provider, your IP-address, the used browser, Login-name, the website from which you have entered, the website of ours that you visit and the date and length of your stay. We use this information to determine the appeal of our services and to improve their effectiveness and content.

### **Collection and Processing of Personal Data of Registered Users**

In general, WABCO Fahrzeugsysteme GmbH does not collect any personal data (e.g. names, addresses, phone numbers or e-mail addresses) unless you voluntarily provide us with such data or consent to its collection when you register to use the "Trailer Service Online" or a survey, or the legal regulations relevant to the protection of your data allow such collection.

## **Personal Data/Specified Uses**

The personal data you provide will be collected, processed and used by WABCO Fahrzeugsysteme GmbH exclusively within the framework of regulations in data protection law or the purposes you indicate.

WABCO Fahrzeugsysteme GmbH will use your personal data primarily to answer your questions, process your orders and provide you with access to specific information or services.

Otherwise, WABCO Fahrzeugsysteme GmbH will collect, process or use personal data if these actions

- are for a purpose directly related to the original purpose for which you provide the personal data;
- are necessary for the preparation, negotiation or performance of a contract with you;
- are necessary based on legal obligations or official or judicial decrees;
- or serve to prevent abuse or other illegal activities, e.g. deliberate attacks on WABCO Fahrzeugsysteme GmbH data security systems.

## **Options**

We would also like to use your persona data, especially your e-mail address, to notify and ask you about possible products, product developments, special offers and services which may be of particular interest to you. In addition, it may be necessary to store, process or communicate your personal data within the WABCO Fahrzeugsysteme GmbH corporate group or our dealer organization in order to better meet the needs and desires of our customers or to improve our products and services.

Your consent to these actions is voluntary, of course. If you do not agree to such actions, you may notify us at any time so that we can block the relevant data. Additional information can be found on our website.

## **Communication of Personal Data to Third Parties**

WABCO Fahrzeugsysteme GmbH treats personal data confidentially and, in general, will not communicate personal data to third parties, particularly by way of sale or oth-

erwise through marketing. Personal data will only be communicated within the WABCO Fahrzeugsysteme GmbH corporate group or dealer organization for the specified purposes.

Such data will only be communicated to third parties if WABCO Fahrzeugsysteme GmbH must make use of third-party services in order to execute a contract with the registered user. This particularly applies to the execution of payment in the event payment is made via e-payment. Service providers engaged by WABCO Fahrzeugsysteme GmbH are obligated to use personal data only within the framework of performing services and in accordance with legal data protection provisions and not to communicate such data to third parties.

## **Security**

WABCO Fahrzeugsysteme GmbH takes technical and organizational security precautions in order to protect personal data from manipulation, loss, destruction, unintentional or unlawful deletion and unauthorized access or disclosure. Our security measures are routinely updated in accordance with technological developments.

## **Use of Cookies**

For the convenience of its users, WABCO Fahrzeugsysteme GmbH uses cookies and active components (e.g. JAVA Script) in order to record visitor preferences and optimize website design. You may choose not to accept cookies at any time via your browser settings. If you do so, however, please keep in mind that some website functions may no longer be available.

## **Contact**

If you have any questions, recommendations or complaints with respect to the administration of your personal data, you may contact our Data Protection Commissioner.
