

WABCO EASYFIT™

AUTOMATIC SLACK ADJUSTER

SETTING NEW STANDARDS FOR COMMERCIAL TRUCKS & TRAILERS

FEATURES

- Premium self energized sealing
- Powder coated housing designed to maximize corrosion resistance and increase product life
- Constant clearance between brake lining and drum, even under extreme temperature conditions
- Optimized adjustment lowers risk of brake grabbing and hot runners
- Backed by a seven year warranty

BENEFITS

- Self-setting function avoids additional adjustments
- Quick and easy installation
- Fit and forget: no more quarterly greasing
- Designed to be routine maintenance-free due to lifetime lubrication and sealing design

For further product details contact your distributor or the WABCO Customer Care Center at 855-228-3203.

WABCO (NYSE: WBC) is the leading global supplier of braking control systems and other advanced technologies that improve the safety, efficiency and connectivity of commercial vehicles. Originating from the Westinghouse Air Brake Company founded nearly 150 years ago, WABCO is powerfully “Mobilizing Vehicle Intelligence” to support the increasingly autonomous, connected and electric future of the commercial vehicle industry. WABCO continues to pioneer innovations to address key technology milestones in autonomous mobility and apply its extensive expertise to integrate the complex control and fail-safe systems required to efficiently and safely govern vehicle dynamics at every stage of a vehicle’s journey – on the highway, in the city and at the depot. Today, leading truck, bus and trailer brands worldwide rely on WABCO’s differentiating technologies. WABCO is at the forefront of advanced fleet management systems and digital services that contribute to commercial fleet efficiency. In 2018, WABCO reported sales of over \$3.8 billion and has more than 16,000 employees in 40 countries. For more information, visit:
