WARRANTY

MODEL YEAR 2020 VEHICLES

Warranty coverage is essential to protecting your investment. But understanding the full details of your coverage can be challenging. This straightforward approach allows you, our valued customer, to better understand how your specific vehicle applications will be covered in your region. Our component warranty coverage is provided according to vocation/usage categories listed below.

- Linehaul covers high mileage operation (over 60,000 miles/year) on well-maintained major highways of concrete or asphalt construction.
- General Service covers moderate mileage operations (less than 60,000 miles/year) on well-maintained public roads (less than 10 percent off-road) typically with less than three (3) stops per mile.
- Heavy Service (Vocational) covers vehicles with more than 10 percent off-road OR moderate to frequent starts/stops typically with more than three (3) stops per mile.
- Off-Highway Service covers lower mileage operations. Vehicles are not typically licensed for highway use.

How to Read Warranty Coverage (Example)

<table>
<thead>
<tr>
<th>Number of Years</th>
<th>Mileage (in thousands)</th>
<th>Unl=Unlimited</th>
<th>P=Parts Only</th>
<th>P&amp;L=Parts &amp; Labor</th>
</tr>
</thead>
<tbody>
<tr>
<td>3</td>
<td>300</td>
<td></td>
<td>P</td>
<td></td>
</tr>
</tbody>
</table>

- Our over-the-counter warranty covers parts only for one year.

WABCO
### WARRANTY - MODEL YEAR 2020 VEHICLES

#### LINEHAUL/GENERAL SERVICE WARRANTY INFORMATION

**LINEHAUL/GENERAL SERVICE VEHICLES**

- Aerial Ladder Truck
- Aerial Platform
- Ambulance
- Auto Hauler
- Beverage Truck
- Bulk Hauler
- Chip Hauler (Truck)
- Cross Country Coach
- Doubles
- Flatbed
- Front Engine Commercial Chassis
- Front Engine Integral Coach
- General Freight
- Grain Hauler
- Intercity Coach
- Intermodal Chassis
- Livestock Hauler
- Meat Packer
- Moving Van
- Municipal Truck
- Pipe Hauler
- Platform Auto Hauler
- Pumper
- Rear Engine Integral Coach
- Recreational Vehicles
- Refrigerated Freight
- School Bus
- Stake Bus
- Tanker
- Tanker Truck
- Triples
- Tour Bus
- Wrecker

**LINEHAUL TYPICALLY IS**

- High mileage operation (over 60,000 miles/year)
- Well maintained major highways of concrete or asphalt construction

**GENERAL SERVICE TYPICALLY IS**

- Moderate mileage operations (less than 60,000 miles/year)
- Well maintained public roads (less than 10% off-road)
- Less than three (3) stops per mile

### WABCO Components

**Air Management**

- Air Brake Valves: 1/100/P&L
- Air Compressors (ALL): 2/200/P&L
- Air Dryers (ALL): 3/300/P&L

**Braking Systems**

- ABS (Anti-Lock Braking System) Air: 3/300/P&L
- ABS (Anti-Lock Braking System) Hydraulic: 3/300/P&L
- Electronic Braking System (EBS)
- Electronic Stability Control (ESC)
- Roll Stability Control (RSS)

**Driveline Suspension Control**

- Clutch Controls: 2/200/P&L
- Leveling Valves: 1/100/P&L
- OptiRide Automated Manual Transmission (AMT)
- OptiRide Electronically Controlled Air Suspension (ECAS): 3/300/P&L

**Emission Control**

**Safety**

- OnGuardACTIVE
- OnLane
- OnLaneALERT
- OnSide

**Trailer**

- OptiFlow TrailerSkirt: 2/Uni/P
- OptiFlow Tail and AutoTail: 2/Uni/P
- Trailer ABS Valve: 3/300/P&L
- Trailer Control Line Filter: 1/100/P&L
- Trailer Lift Axle Control Valve
- Trailer MAXX22T Air Disc Brake: 5/500/P and 1/L
- Trailer Roll Stability Support (RSS): 3/300/P&L
- Trailer SmartStart
- Trailer TailGUARD

**Wheel End Solutions**

- EasyFit Slack Adjuster: 6/600/P
- MAXXUS™ Air Disc Brake: 5/500/P&L
- IVTM - Wheel Module: 6/P
- IVTM - All Other Products: 2/P
- Pan 17 and 19 Air Disc Brake: 2/Uni/P and 1/Uni/L
- Pan 22 Air Disc Brake: 5/500/P and 1/L
- TRISTOP D Actuator w/ IBV: 6/600/P
- TRISTOP D Actuator: 3/300/P
- UNISTOP Actuator: 2/200/P

---

1. WABCO and WABCO branded components. 2. WABCO compressors installed on Cummins, Mercedes, and DDC engines are not warranted or serviced by WABCO. Please contact your respective dealer/distributor of those engines for warranty and servicing. 3. An extended warranty of 4/400/P will be applied when a WABCO Trailer Control Line Filter is used in combination with a WABCO Trailer ABS valve.
HEAVY SERVICE (VOCATIONAL) WARRANTY INFORMATION

HEAVY SERVICE VEHICLES

- Airport Rescue Fire (ARF)
- Airport Shuttle
- Asphalt Truck
- Block Truck
- Bottom Dump Trailer Combination
- Cementing Vehicle
- City Bus
- Commercial Pick-Up
- Concrete Pumper
- Construction Material Hauler
- Crash Fire Rescue (CFR)
- Mixer
- Demolition
- Drill Rig
- Dump
- Emergency Service
- Equipment Hauling
- Flatbed Trailer Hauler
- Flatbed Truck
- Fracturing Truck
- Front Loader
- Geophysical Exploration
- Hopper Trailer Combinations
- Landscaping Truck
- Liquid Waste Hauler

¹ WABCO and WABCO branded components. 2 WABCO compressors installed on Cummins, Mercedes, and DDC engines are not warranted or serviced by WABCO. Please contact your respective dealer/distributor of those engines for warranty and servicing. 3 Equivalent hours of service limit: 2,000 hours for all components.
PRODUCT DESCRIPTION

ALL PRODUCTS

This Warranty shall not apply to the following, but not limited to: (1) damage to the product or its component parts caused by incorrect use, installation, maintenance or repair, including without limitation (a) improper fit of mating components or brackets, damaged threads, cut, broken, chafed, pinched or otherwise damaged wiring (sensors, harnesses and connectors), (b) sensors damaged during removal when seized in block, or associated with sensor adjustments/alignments, and (c) damage resulting from the use or installation of non-genuine WABCO components or materials; (2) damage to the product, its component parts, or diminished product or component part performance due to incorrect operation, deviation from approved conditions or misapplication; (3) any unauthorized disassembly of the product or its component parts including without limitation (a) obliterated, defaced or missing WABCO or WABCO name plate, serial numbers or label identifying the device as a WABCO product or WABCO component, (b) changes to sealed adjusting screws, and (c) opening or attempted repair of non-serviceable components; (4) malfunction of the component due to internal contamination of the vehicle system including without limitation (a) water and other contamination damage that is due to the use of a non-genuine air dryer cartridge or (b) valve failures due to contamination in air system, (5) complaints associated with noise, (6) damage resulting from corrosion (including oxidation of electrical devices and connections).

AIR DRYERS

Mounting brackets (see vehicle OEM). Desiccant cartridge housing only.

AIR SYSTEM COMPONENTS

Normal wear items; Gladhand seals, dash valve knobs, valve actuation handles, treadles, pedals.

ABS, ELECTRONIC STABILITY CONTROL (ESC), ROLL STABILITY CONTROL (RSC), OPTIRIDE™, ONGUARD™ AND ONLANE™, COLLECTIVELY “ELECTRONICS”

Failure of electronic components due to overvoltage condition, improper grounding, electrostatic discharge (ESD), improper shielding, electromagnetic interference (EMI), or other wiring or installation issues. Malfunctions and failure codes caused by other electronic subsystem failures (data bus, engine, transmission, dashboard, etc.)

HYDRAULIC COMPONENTS

For certain components, brake fluid DOT3 or DOT4 is used as the operating medium. Use of any other fluid will void all warranties associated with that component. For hydraulic braking applications the brake fluid is considered a maintenance item. Maintenance intervals are listed in TB-1367.

COVERAGE LIMITATIONS

PRODUCT DESCRIPTION

ALL PRODUCTS

Any claim beyond 60 days from date of repair will not be accepted or honored under this warranty program.

Products purchased on an incomplete vehicle (glider) are limited to one year, 1/Unl/P.

For vehicles that operate full- or part-time outside of the United States and Canada, a 1-Year/Unlimited Miles parts only (1/Unl/P) will apply.

TOOLBOX™ SOFTWARE

Proper diagnostics of WABCO Electronics may require the latest version of TOOLBOX™. Additional labor due to use of an outdated version of TOOLBOX™. TOOLBOX™ software, and/or the time to purchase or install latest version of TOOLBOX™ are not covered under product warranty.
WARRANTY - MODEL YEAR 2020 VEHICLES

TERMS AND CONDITIONS

(1) What is Covered by this Commercial Warranty? WABCO North America LLC and its North American subsidiaries and affiliates warrant to the owner ("Owner") that the components listed in this publication, which have been installed by an Original Equipment Manufacturer ("OEM") as original equipment will be free from defects in material and workmanship. This warranty coverage begins from the original in-service date to the limits provided and runs concurrently with any warranties provided by OEMs and/or any service contracts that cover the components listed in this publication, if any. If the components listed in this publication are covered by an OEM warranty and/or service contract, then the OEM’s warranty and/or service contract shall supersede WABCO’s warranty and Owner shall comply with all OEM’s warranty and/or service contract requirements for claims under such OEM’s warranty and/or service contract until those agreements expire. Once those agreements expire and provided the WABCO warranty has not expired under the terms stated above, the WABCO warranty will be in effect until its expiration date.

Warranty coverage ends at the expiration of the applicable time period from the date of vehicle purchase by the first Owner, or, the applicable mileage limitation, whichever occurs first. Duration of coverage varies by component and vocation as detailed previously in this publication. Some components are warranted for parts only and the Owner must pay any labor costs associated with the repair or replacement of the component. Other components are warranted for both parts and reasonable labor to repair or replace the subject component. Additional diagnostic time due to use of an outdated version of TOOLBOX™, time to purchase or install latest version of TOOLBOX™ are the responsibility of the authorized WABCO service location and are not covered under product warranty. Components installed as replacements under this warranty are warranted only for the remainder of the original period of time or mileage under the original warranty.

(2) Designation of Vocational Use Required. To obtain warranty coverage, each Owner must notify WABCO through the OEM new truck and/or trailer dealer of the intended vocational use of the vehicle into which the WABCO components have been incorporated prior to the vehicle in-service date. This notification may be accomplished by registering the vehicle through your OEM new truck and/or trailer dealer or with WABCO directly. Failure to notify WABCO of (I) the intended vocational use of the vehicle or (II) a change in vocational use from that which was originally designated, will result in the application of a one year, unlimited mileage, parts only warranty (1/Un/Un) from the initial in-service date. A second Owner and each subsequent Owner must also notify WABCO as to the intended vocational use of the vehicle. This notification can be sent directly to WABCO or through the OEM new truck and/or trailer dealer. The duration and mileage coverage of this warranty cannot exceed the coverage extended to the first Owner after his or her initial designation of vocational use. Coverage under WABCO’s warranty requires that the application of products be properly approved pursuant to OEM and WABCO, approvals.

(3) What is the Cost of this Warranty? There is no charge to the Owner for this warranty.

(4) What is not Covered by this Warranty? In addition to the items listed on "Coverage Exclusions," this warranty does not cover normal wear and tear, or service items; nor does it cover a component that fails, malfunctions or is damaged as a result of (a) improper handling, storage, installation, adjustment, repair or modification including the use of unauthorized attachments or changes or modification in the vehicle’s configuration, usage, or vocation from that which was originally approved by WABCO, (b) accident, fire or other casualty, natural disaster, road debris, negligence, misuse, abuse, or improper use (including loading beyond the specified maximum vehicle weight or altering engine power settings to exceed the brake system capacity), or (c) improper or insufficient maintenance (including deviation from maintenance intervals, approved lubricants, or lube levels). This warranty does not cover any component or part that is not sold by WABCO.

(5) To obtain service. If the owner discovers within the applicable coverage period a defect in material or workmanship, the Owner must promptly give notice to either WABCO or the dealer from which the vehicle was purchased. To obtain service, the vehicle must be taken to any participating OEM dealer or WABCO authorized servicer. The dealer or WABCO authorized servicer will inspect the vehicle and contact WABCO for an evaluation of the claim. When authorized by WABCO, the dealer or WABCO authorized servicer will repair or replace during the term of this warranty any defective WABCO component covered by this warranty.

(6) Disclaimer of Warranty and Limitation of remedies. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE LIMITED WARRANTY SET FORTH HEREIN IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND/OR WARRANTY FOR HIDDEN OR LATENT DEFECTS, AND IN NO

[...]
EVENT WILL WABCO OR ANY OF ITS AFFILIATES BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, PROGRESSIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND.

(7) Legal action. Any legal action or claim arising from or related to this Warranty, in contract or otherwise, must be commenced within one year from the accrual of that cause of action, or be barred forever. Any dispute arising in connection with this agreement shall be governed by and construed according to the laws of the State of Michigan and be brought, heard and determined exclusively in either the Circuit Court for the County of Oakland, State of Michigan or the United States District Court for the Eastern District of Michigan. The parties stipulate that the referenced venues are convenient.

(8) Remedy. The exclusive remedy under this warranty shall be the repair or replacement of the defective component at WABCO’s option. WABCO reserves the right to require that all applicable covered components are available and/or returned to WABCO for review and evaluation. THE MAXIMUM LIABILITY, IF ANY, OF WABCO FOR ALL DAMAGES, INCLUDING WITHOUT LIMITATION CONTRACT DAMAGES, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHER TORT, IS LIMITED TO AN AMOUNT NOT TO EXCEED THE PURCHASE PRICE OF THE PRODUCT and where indicated in the product and application warranty information above, the inclusion of labor is limited to the standard repair time. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE LIMITATION OF DAMAGES PROVISION SET FORTH IN THIS PARAGRAPH SURVIVES BETWEEN THE ORIGINAL END USER AND WABCO EVEN IF THE EXCLUSIVE REMEDY SET FORTH ABOVE IS DEEMED TO FAIL OF ITS ESSENTIAL PURPOSE. WABCO may change the design or make improvements to its Products without incurring any warranty obligation for previously manufactured Product.

(9) Entire Agreement. This is the entire agreement between WABCO and the Owner about warranty and no, WABCO employee, or dealer is authorized to make any additional warranty on behalf of WABCO unless in writing and signed by an authorized representative of WABCO.
WABCO (NYSE: WBC) is the leading global supplier of braking control systems and other advanced technologies that improve the safety, efficiency and connectivity of commercial vehicles. Originating from the Westinghouse Air Brake Company founded nearly 150 years ago, WABCO is powerfully "Mobilizing Vehicle Intelligence" to support the increasingly autonomous, connected and electric future of the commercial vehicle industry. WABCO continues to pioneer innovations to address key technology milestones in autonomous mobility and apply its extensive expertise to integrate the complex control and fail-safe systems required to efficiently and safely govern vehicle dynamics at every stage of a vehicle’s journey – on the highway, in the city and at the depot. Today, leading truck, bus and trailer brands worldwide rely on WABCO’s differentiating technologies. Powered by its vision for accident-free driving and greener transportation solutions, WABCO is also at the forefront of advanced fleet management systems and digital services that contribute to commercial fleet efficiency. In 2019, WABCO reported sales of over $3.4 billion and has nearly 14,000 employees in 40 countries. For more information, visit:
