Warranty Coverage. WABCO North America LLC (“WABCO”) warrants that products listed on the reverse side (the “Product”) that have been installed in a vehicle by an Original Equipment Manufacturer (“OEM”) in accordance with WABCO installation instructions, will be free from defects in materials or workmanship. Warranty coverage only extends to Products that are not included in the OEM’s vehicle warranty or other service contract. The warranty period begins on the date of the vehicle purchase by the original end user. The warranty expires at the end of the applicable time period or applicable mileage limitation, whichever occurs first (the “Warranty Period”) (see the reverse side). Duration of coverage and coverage of labor costs varies by Product. New Product installed under this warranty is warranted only for the remainder of the warranty period of the original Product.

Remedy. The sole and exclusive remedy under an accepted warranty claim shall be limited to the repair or replacement of the defective Product at WABCO’s discretion. This exclusive remedy shall not be deemed to have failed of its essential purpose so long as WABCO is willing to repair or replace the defective Product. THE MAXIMUM LIABILITY, IF ANY, OF WABCO FOR ALL DAMAGES, INCLUDING WITHOUT LIMITATION CONTRACT DAMAGES, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHER TORT, IS LIMITED TO AN AMOUNT NOT TO EXCEED THE PURCHASE PRICE OF THE PRODUCT. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE LIMITATION OF DAMAGES PROVISION SET FORTH IN THIS PARAGRAPH SURVIVES BETWEEN THE ORIGINAL END USER AND WABCO EVEN IF THE EXCLUSIVE REMEDY SET FORTH ABOVE IS DEEMED TO FAIL OF ITS ESSENTIAL PURPOSE. WABCO may change the design or make improvements to its Products without incurring any warranty obligation for previously manufactured Product.

Conditions for Warranty. To obtain service, the vehicle must be taken to an OEM dealership or WABCO authorized servicer within 60 days after the date any defect is first discovered. Product(s) claimed to be defective shall be returned, freight prepaid, by the OEM dealership or WABCO authorized servicer to WABCO. When authorized by WABCO, the OEM dealership or WABCO authorized servicer will repair or replace during the term of this warranty any defective Product covered by this warranty. Unauthorized repairs will invalidate this warranty. This warranty applies only to Products on vehicles operated only in the United States and Canada.

Exclusions. This warranty shall not apply to the following: (A) damage to the Product or its component parts caused by incorrect use, installation, maintenance or repair, including, but not limited to: (i) improper fit of coupling components; damaged threads, cut, broken, scratched, squeezed or otherwise damaged wiring (sensors, harnesses and connectors); (ii) sensors damaged by removal when seized in block, or associated with sensor adjustments/alignments; (iii) damage resulting from the installation or use of non-genuine WABCO components or materials; (iv) any missing or removed WABCO identification marks; (v) changes to sealed adjusting screws; and, (vi) opening or attempted repair of the Product by anyone other than an OEM dealership or WABCO authorized servicer; (B) malfunction of a Product due to internal contamination of the braking system, including, but not limited to: (i) water or other contamination due to a faulty air dryer cartridge; or (ii) valve failures due to contamination of the air system; (C) products not manufactured by WABCO; (D) failure due to customer specifications or design supplied by, or on behalf of, the customer; (E) sealed spring brake malfunction due to corrosion and/or ingestion of foreign material; (F) damage resulting from: (i) corrosion (including oxidation of electrical devices and connections); (ii) above average amounts of foreign material ingested into spring cavities of unsealed actuators as a normal result of operation; (G) normal wear and tear; (H) service parts.

DISCLAIMER OF WARRANTY AND LIMITATION OF REMEDIES. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE LIMITED WARRANTY SET FORTH ABOVE IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND/OR WARRANTY FOR HIDDEN OR LATENT DEFECTS, AND IN NO EVENT WILL WABCO OR ANY OF ITS AFFILIATES BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, PROGRESSIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND.

Legal action. Any legal action or claim, whether from this warranty, in contract or otherwise must be commenced within one year from the accrual of that claim or action, or be barred forever. This agreement is governed by and construed according to the laws of Michigan. Any dispute arising in connection with this agreement shall be brought, heard and determined exclusively in either the Circuit Court for the County of Oakland, State of Michigan or, if subject matter jurisdiction exists, the U.S. District Court for the Eastern District of Michigan. The parties stipulate that the referenced venues are convenient. The parties acknowledge that all order and other decrees issued by the forum court shall be binding and enforceable in all jurisdictions and countries.

Entire agreement. This is the entire and only agreement between WABCO and the original end user with respect to the warranty and supersedes and replaces all prior agreements or understandings, written or oral between the parties. No WABCO employee or affiliate is authorized to make any additional warranty on behalf of WABCO unless in writing and signed by an authorized representative of WABCO and the original end user.
