

Jacques Esculier, WABCO Chairman and Chief Executive Officer, has been leading WABCO since January 2004 when he was appointed Vice President of American Standard and President of its Vehicle Control Systems business (WABCO). Mr. Esculier was appointed Chairman in May 2009.

JACQUES ESCULIER

Chairmand and Chief Executive Officer

Mr. Esculier joined WABCO from American Standard's Trane Commercial Systems business, where he was Business Leader for the Europe, Middle East, Africa, India & Asia Region from 2002 through January 2004. Prior to joining American Standard in 2002, Mr. Esculier spent more than six years in leadership positions within the Aerospace business of Honeywell International/Allied Signal. He was Vice President and General Manager of the Environmental Control and Power Systems Enterprise based in Los Angeles, CA and Vice President of Aftermarket Services, Asia Pacific, based in Singapore.

He joined Allied Signal from Mooney Airplane Company in Kerrville, TX, where he was President and Chief Executive Officer. He has also held research and development positions with NASA and the Helicopter Department at the French Ministry of Defense.
