Mr. Philippe Colporn
DIN: 08344534

As Vice President at WABCO and Global Business Leader for Fleet Solutions, Philippe Colpron (Peruvian born, Canadian national – 40 years old) is responsible for growing the organization's holistic range of solutions for the commercial vehicle fleets ecosystem.

Mr. Philippe Colpron started his career at WABCO in 2007 as Strategic Sourcing Director for the Group. In February 2010 he became the Aftermarket Marketing and Business Development Leader. From 2012 onwards, he was promoted to the Business Enterprise Lead of WABCO Aftermarket to then proceed as Vice President and Aftermarket Business Unit Leader in 2014.

He was appointed to the Global Fleet Solutions Hub leadership role at the end of 2018, taking ownership of two of WABCO's most dynamic business units – Digital Customer Services, delivering advanced FMS solutions, and the Aftermarket Business Unit, molded into a single Fleet Solutions organization. He has also driven the diversification of its service offering, including the introduction of an increasing amount of innovative digital solutions.

Besides his contribution to the Aftermarket business, Philippe has led several key strategic projects at WABCO, such as digital transformation initiatives and contributing to multiple mergers and acquisitions over the past years. Most recently he led a project called "PACE Agility", set up to define and implement an agile, lean and efficient global organization for WABCO as a whole, that better optimizes WABCO's structure, processes and systems across its value chain. PACE Agility, which is currently being rolled out, aims to deliver a new structure and operating system designed to enable higher quality results across the value chain, while fostering accountability and collaboration as critical enablers of WABCO's continuous differentiation.

In his recently appointed role, Philippe oversees an organization counting around 800 employees in 45 countries which jointly serve the needs of the commercial vehicle fleets ecosystem worldwide while delivering close to 1B\$ sales revenues for WABCO.

Prior to joining WABCO Philippe worked in various transport, logistics and purchasing management roles at Valeo after having operated under his own account in his start-up enterprises.
